

ASEAN Cable Management Rack Manufacturer

Overview

Cable Racks Market in Asia | Report Southeast Asia, particularly Vietnam, Thailand, and Indonesia, is emerging as a significant demand hub for cable About.

Key Takeaways

Key cable management rack manufacturers in ASEAN include Lan-Ric Industries, SAN Engineering, Array Metal, Schneider Electric, and Rittal, offering a wide range of cable trays, ladders, trunking, and IT racks. Regional Manufacturers

Lan-Ric Industries Sdn Bhd is a leading cable management system manufacturer in Malaysia and Singapore, established in 1994. They specialize in integrated cable management solutions for mechanical, electrical, oil, and gas sectors, with six manufacturing plants and a production area exceeding 336,000 square feet. Lan-Ric serves APAC, Middle East, GCC nations, South Asia, and Southeast Asia through local distributors, providing high-quality cable support systems and rack solutions . SAN Engineering in Malaysia offers metal fabrication services including cable support systems, galvanised cable ladders, trunking, server rack cable management, and Unistruct channels. They focus on precision manufacturing, quality control, and customized solutions for complex projects, making them a reliable regional supplier . Array Metal is another Malaysian manufacturer and supplier of cable trays, ladders, trunking, and wire trays. They maintain an international distribution network covering Singapore, Australia, and the United States, ensuring timely delivery and dependable support for cable management systems .

Global Brands with ASEAN Presence

Schneider Electric provides APC-branded racks and accessories, including NetShelter SX enclosures, Easy Rack, and cable management solutions for IT and data center applications. Their products are designed for high-density compute, AI workloads, and micro data centers, offering integrated cable management, airflow, and power distribution . Rittal operates in ASEAN through authorized channel partners in Singapore, Philippines, Malaysia, Thailand, Indonesia, and Vietnam. They supply industrial enclosures, IT racks, busbar systems, and climate control solutions, with local distributors and system integrators supporting installation and service .

Summary

For ASEAN cable management rack solutions, companies like Lan-Ric, SAN Engineering, and Array Metal provide regional manufacturing expertise, while Schneider Electric and Rittal offer globally recognized IT and industrial rack systems with local support. These manufacturers and brands cover a wide spectrum of applications, from industrial cable trays to high-density IT racks, ensuring compliance with regional and international standards.
