PVC Cable Tray In Columbia, PVC Cable Tray Manufacturers Contact us today to discuss your PVC cable tray needs and receive a quote. We, one of the trusted.

Key Takeaways

Reliable PVC cable tray manufacturers in Columbia include Cable House and Brilltech Engineers, offering durable, cost-effective solutions for electrical cable management. Key Manufacturers

1. Cable House Cable House, established in 1983, is a recognized manufacturer and supplier of PVC cable trays in Columbia. They offer a wide range of cable management products, including hose clamps, cable ties, crimping tools, and industrial connectors, alongside their PVC cable trays. Their products are known for high durability, reliable performance, and customizable solutions to meet diverse project requirements. Cable House serves both national and international markets and emphasizes quality control and timely delivery . 2. Brilltech Engineers Brilltech Engineers specializes in PVC cable trays in Columbia, providing high-quality, corrosion-resistant, and lightweight trays suitable for buildings, data centers, and industrial applications. Their trays are designed for flexible configurations, easy installation, and long-term reliability, meeting industry safety standards. Brilltech also offers a variety of sizes and perforated options to accommodate different cable routing needs .

Product Features

- Material: High-grade PVC, resistant to rust, chemicals, and corrosion

- Design: Ladder, perforated, and solid-bottom trays with flexible configurations
 - Applications: Commercial buildings, industrial facilities, data centers, and harsh environments
 - Advantages: Lightweight, easy to cut and join, low maintenance, cost-effective, and compliant with safety regulations
- Contact and Procurement

Both manufacturers provide direct contact options for quotes and project-specific requirements. Cable House offers email and phone support for inquiries, while Brilltech Engineers encourages potential clients to reach out for customized solutions and pricing . These manufacturers are suitable for projects requiring durable, versatile, and budget-friendly PVC cable tray systems in Columbia.
