

## Customized Corrosion-Resistant Cable Tray Manufacturer in Ireland

### Overview

Customized Corrosion-Resistant Cable Tray Manufacturer in Ireland Your Trusted PVC Cable Tray Suppliers in Ireland Made from high-grade PVC, our cable trays.

### Key Takeaways

Shielden and Niedax CMS Ireland are leading providers of customized, corrosion-resistant cable trays in Ireland. Shielden

Shielden specializes in designing and manufacturing durable cable tray systems suitable for industrial, commercial, offshore, and renewable energy projects. Their trays are available in stainless steel, galvanized steel, aluminum, and FRP/GRP composites, offering excellent corrosion and fire resistance for harsh environments. They provide custom solutions tailored to project specifications, including ladder trays, perforated trays, wire mesh trays, solid bottom trays, and channel trays. Shielden emphasizes easy installation and maintenance, making them ideal for complex electrical and communication infrastructure projects in Ireland.

Niedax CMS Ireland

Niedax CMS Ireland is part of the global Niedax Group, one of the largest cable tray manufacturers worldwide. They offer Quick Fit cable management systems and provide expert guidance from design to installation. While they serve a broad range of sectors, including data centers, commercial automation, and energy, they also provide customized solutions for corrosion-resistant applications. Their team supports contractors across all four Irish provinces, ensuring efficient delivery and value-for-money solutions .

### Additional Options

Other Irish suppliers like Core Distribution and PEMCO offer a wide range of cable management systems, including steel trays and trunking, with options for special applications and customized designs. PEMCO, in particular, has in-house manufacturing capabilities and over 50 years of experience in delivering durable cable containment solutions across Ireland .

### Summary

For projects requiring corrosion-resistant and customized cable trays in Ireland, Shilden is highly recommended for its material versatility and tailored solutions, while Niedax CMS Ireland provides strong support from design to installation. Both companies offer reliable, high-quality products suitable for industrial, commercial, and offshore environments.
