Key Takeaways

You can obtain fully customized distribution boxes directly from manufacturers offering OEM/ODM services with tailored sizes, materials, certifications, and branding options. Leading Manufacturers and Their Capabilities

SKKBO specializes in tailor-made distribution boxes for industrial, commercial, residential, and solar energy systems. They provide full customization including dimensions, enclosure thickness, material selection, color options, and logo printing. Their factory spans 2,666 sqm, and they have over 20 years of experience, serving more than 180 countries. SKKBO ensures fast delivery, professional technical support, and certified products (UL, CE, IP, IK, CCC) for indoor and outdoor applications. ZCE Box offers low-voltage distribution boxes and junction boxes with direct manufacturer supply. They provide flexible OEM/ODM services including logo, size, holes, material, and packaging customization. Their products are widely used in industrial workshops, commercial buildings, municipal projects, and electrical installations. ZCE Box emphasizes stable delivery, competitive factory pricing, and full technical and after-sales support. Mulan Group focuses on OEM sheet metal distribution boxes, supporting stainless steel, aluminum, and carbon steel enclosures suitable for harsh environments (IP65/NEMA 4X rated). They offer over 50 customizable configurations including wall-mounted, modular, explosion-proof, and outdoor-rated boxes. Their services cover CAD design, precision fabrication, free DFM support, and rapid prototyping (7 days) with bulk orders delivered in 4–6 weeks. They are ISO 9001, UL, and CE certified. Accio provides verified suppliers for customized distribution boxes with full flexibility in size, voltage, and design for industrial and commercial use. They focus on connecting buyers with manufacturers capable of delivering tailored solutions.

Key Customization Options

- Dimensions & Thickness: Fully adjustable to fit installation spaces.
- Materials: Plastic, stainless steel, aluminum, or carbon steel depending on environment.
- Certifications: UL, CE, IP, IK, CCC, ISO 9001 for safety and compliance.
- Color & Branding: Standard colors like RAL7035 or custom colors; logo printing available.
- Enclosure Type: Indoor, outdoor, modular, wall-mounted, explosion-proof, or solar-specific.
- Technical Support: Assistance with design, installation, and application.

Advantages of Direct Manufacturer Sourcing

- Competitive pricing and factory-direct supply.
- Faster lead times and rapid prototyping.
- Full control over specifications and branding.
- Access to professional technical guidance and after-sales support. For businesses or projects requiring customized distribution boxes, contacting these manufacturers directly allows you to specify exact requirements, receive tailored quotes, and ensure compliance with international standards while optimizing delivery and cost.
