

Egypt provides cable trays

Overview

We specialize in cable trays in Egypt, cable ladders in Egypt, galvanized cable trays, and galvanized cable ladders.

Key Takeaways

You can find cable trays in Egypt through specialized manufacturers, metal forming companies, and online marketplaces offering a wide range of types and accessories. Key Manufacturers and Suppliers

- El Masrya El Almanya Company for Metal Forming - Offers a full range of cable trays including perforated trays, solid ducts, and cable ladders, along with accessories and storage units. Located at 4 Mohamed Abdo St., Slow Rd., Abou Senna, Qalyub, Kaliobeya .
- Al-Yathreb Factory - Specializes in metal forming and cable management systems, including solar energy structures and storage systems. They use advanced laser cutting technologies for precision .
- Rovana Trade Factory - Manufactures all types of cable trays directly, including basket trays, cable ladders, and accessories, using hot-dip and cold-galvanized materials with electrostatic coatings. Located at Abou El Ghait Rd., El Qanatir El Khayriyah, Kaliobeya .
- Delta Steel Company - Known for high-quality cable trays, fast supply, and competitive pricing. Located at Central Spine, Lailat El Qadr Sq., 6th of October, Giza .

- Gold Steel – Produces all types of cable trays and accessories with certified galvanization, also supplying commercial steel pipes. Located at Slow Rd., Abou Senna, Qalyub, Kaliobeya .
 - Kayan Metal – Offers metal trading and processing services, including laser cutting, welding, and manufacturing metal fittings suitable for hospitals, offices, and industrial projects .
 - MetalEgypt – Provides cable trays in galvanized steel, stainless steel, aluminum, and PVC-coated finishes, along with a complete range of accessories like covers, connectors, bends, and junctions. Suitable for industrial, commercial, and data center applications .
 - Metal Tech (MT Tray) – Egyptian manufacturer of perforated cable trays, cable ladders, and cable trunks. Offers painted or galvanized options and supports high-load applications for electrical projects .
 - IPEWO Egypt – Supplies cable trays of all sizes made from black iron with electrostatic paint, suitable for factories, commercial buildings, and water stations .
- Online Options
- Amazon.eg (formerly Souq) – Offers smaller cable management solutions and organizers suitable for home or office use, including silicone clips and cord organizers .

Tips for Choosing a Supplier

- Determine the type of cable tray needed (perforated, ladder, trunk, or basket).
- Check material and finish (galvanized steel, stainless steel, aluminum, or PVC-coated) for durability and corrosion resistance.
- Consider load capacity and project requirements, especially for industrial or high-volume installations.
- Request customized quotations and confirm compliance with engineering standards if needed. These suppliers cover a wide range of industrial, commercial, and residential needs, ensuring you can find cable trays suitable for your project anywhere in Egypt.
