Jeetmull Jaichandlall (P) Ltd. is one of the trust.

Key Takeaways

Brilltech Engineers Pvt. Ltd. and Ectray are prominent cable tray manufacturers and suppliers in Estonia, offering a wide range of high-quality cable management solutions. Brilltech Engineers Pvt. Ltd.

Brilltech Engineers is a leading cable tray manufacturer, supplier, and exporter in Estonia, providing solutions for residential, commercial, and industrial applications . Their product range includes:

- Ladder Cable Trays
- Perforated Cable Trays
- PVC Cable Trays
- Mild Steel and Stainless Steel Cable Trays

- Raceways They use premium materials such as galvanized steel, stainless steel, and fiberglass, ensuring durability, corrosion resistance, and compliance with industry standards . Brilltech also offers customized solutions tailored to project-specific requirements, including size, dimensions, and material type. Their services extend to product selection, system design, installation support, and after-sales assistance, making them a comprehensive provider for cable management systems .
Ecstray

Ecstray specializes in high-strength cable trays and cable ladders, designed to protect cables from external factors . Their support systems are available in thicknesses from 2mm to 6mm and coatings such as pre-galvanized, hot-dipped galvanized, and painted finishes. Ecstray emphasizes project planning and virtual prototyping, which helps reduce design errors and optimize installation efficiency . Their products are suitable for buildings, public locations, and industrial projects, providing robust cable protection and management.

Key Considerations

When selecting a cable tray manufacturer in Estonia, consider:

- Material and durability: Galvanized steel, stainless steel, or fiberglass for corrosion resistance.
- Customization: Ability to tailor trays to specific project dimensions and load requirements.
- Compliance: Adherence to industry standards for safety and performance.
- Support services: Design consultation, installation guidance, and after-sales support.
- Product range: Availability of ladder, perforated, PVC, and raceway trays to suit different applications. Both Brilltech Engineers and Ecstray provide reliable, high-quality cable tray solutions in Estonia, with options for customization and professional support, making them suitable for a wide range of electrical infrastructure projects .
