

Lebanese electrical cable tray supplier

Overview

Manufacturer & supplier of cable trays. Hot-dip galvanized, stainless steel & aluminum trays for MEP projects in Middle East and Africa.

Key Takeaways

Kivolt and SFSP Lebanon are leading manufacturers and suppliers of cable trays in Lebanon, offering a wide range of high-quality electrical cable management solutions. Kivolt Lebanon

Kivolt is a manufacturer and supplier of cable trays and cable management systems serving Lebanon, the Middle East, and Africa. They provide a complete range of cable tray systems including perforated, non-perforated, hot-dip galvanized, stainless steel, and aluminum trays, suitable for commercial, industrial, and infrastructure projects. Their products are designed for durability, safety, and efficient cable routing, and they support contractors, MEP companies, and project developers with installation guidance and project-specific solutions (Kivolt) .

SFSP Lebanon

SFSP Lebanon manufactures cable trays, ladder trays, trunkings, and accessories in compliance with local and international standards such as BS EN 61537:2007, NEMA, and CENELEC EN 50173-1. They offer pre-galvanized, hot-dip galvanized, stainless steel, and aluminum trays, with finishes including mill galvanized, powder coated, and hot-dip galvanized. SFSP also provides basket tray systems, metal framing supports, and underfloor trunking solutions, ensuring comprehensive cable management for various electrical installations (SFSP Lebanon)

Brilltech Engineers

Brilltech Engineers Pvt. Ltd. is another prominent cable tray manufacturer and supplier in Lebanon, offering galvanized steel, stainless steel, and fiberglass trays. Their products focus on enhanced safety, airflow, cooling, and space optimization, and they provide professional support for product selection, system design, and installation. They cater to projects of all sizes, ensuring compliance with industry standards and long-term durability (Brilltech Engineers) .

Summary

Lebanon has several reputable cable tray manufacturers and suppliers, including Kivolt, SFSP Lebanon, and Brilltech Engineers, offering a variety of materials, finishes, and tray types. These companies provide solutions that meet international standards, support efficient cable management, and offer professional guidance for installation and project planning. Choosing a supplier depends on project requirements, material preferences, and the level of technical support needed.
