

List of Indoor Optical Splitter Manufacturers

Overview

Top Optical Splitter Manufacturers in United States Discover all relevant Optical Splitter Manufacturers in United States, including PPC Broadband and OptiW.

Key Takeaways

Leading manufacturers of indoor optical splitters include Max. PPC Broadband, T&S Communications, OptiWorks, and HYC Co., Ltd, offering high-quality PLC splitters and FBT couplers for telecommunications and data networks.

- Max. PPC Broadband: Offers a range of optical splitters designed for indoor and outdoor use, specializing in fiber solutions for telecommunications to ensure high-quality connectivity performance .
- T&S Communications: Provides optical network products including PLC splitters and FBT couplers, designed to enhance network performance in indoor fiber optic systems .
- OptiWorks: Manufactures fiber optic components such as PLC splitters, supporting various telecommunications applications and indoor network deployments .
- HYC Co., Ltd: Produces passive optical devices including PLC splitters, essential for 4G/5G networks, data centers, and indoor fiber optic installations .

- Gilson Company, Inc. and Corning Incorporated: Recognized for high-quality splitter products and industrial reliability, suitable for indoor optical network applications .

Product Types

- PLC Splitters (Planar Lightwave Circuit): Provide uniform splitting ratios, ideal for indoor fiber distribution networks.

- FBT Couplers (Fused Biconical Taper): Cost-effective splitters for smaller-scale indoor applications.

- Demultiplexers: Sometimes integrated with splitters for signal routing in indoor telecom systems .

Considerations for Selection

When choosing an indoor optical splitter manufacturer, consider:

- Product quality and reliability for continuous indoor operation.
 - Splitting ratio options to match network design requirements.
 - Support for 4G/5G and data center applications.
 - Availability of datasheets and technical support for installation and maintenance.
- These manufacturers are widely recognized in the industry for providing high-performance indoor optical splitters suitable for telecommunications, enterprise networks, and data center environments .

Article Content

Optical Splitters Manufacturers and Suppliers in the USA ...

Welcome to this comprehensive resource for Optical Splitters Suppliers and Manufacturers on Thomas. Here you can find any

Optical Splitters for Central Office/Headend

CommScope offers a portfolio of bare and connectorized splitters/couplers in a wide range of styles and split ratios, and splitter

Fiber Optic Splitters

Clearfield leads the way with optical component technologies for PON splitting, C/W division multiplexing and optical circulators.

Fiber Couplers/Splitters/Combiners

We offer a full line of fiber optic couplers and splitters supporting SM, MM, PM, large core, and double-clad fibers across 300–2000

18 Fiber Optic Splitter Manufacturers in 2026

This section provides an overview for fiber optic splitters as well as their applications and principles. Also, please take a look at the

Beam Splitters

A Beam Splitter is an optical device that splits a beam of light into two or more beams. Beam Splitters from the leading

Top 100 Fiber Optic Splitter Suppliers in 2026 | ensun

HYC Co., Ltd is a leading manufacturer specializing in the research, development, and production of passive optical devices.

Top 15 Fiber Optic Manufacturers (2026 Global Ranking)

An authoritative 2026 guide to the top 15 fiber optic manufacturers — from Corning and Prysmian to Fujikura and LS Cable — with

Fiber Optic Splitter Manufacturer | PLC & FBT Splitters

Fiber Optic Splitter Manufacturer for FTTH & PON Networks A fiber optic splitter is a passive optical device used to divide optical

16 Power Splitter Manufacturers in 2026 | Metoree

Variants include electrical power splitters for RF (radio frequency) signal distribution and optical power splitters for branching signals

OSP Splitters | Amphenol Network Solutions

Amphenol Network Solutions offers a complete line of discrete Optical Splitter Components for a wide range of uses in various optical

Fiber Optic Splitters | PLC & FBT Optical Splitters

Discover a wide range of reliable fiber optic splitters. Our PLC and FBT splitters offer low loss and various split ratios for FTTH, PON,

Fiber Optic Splitters

Fiber Optic Splitters from Professional China Manufacturer As the name, the fiber splitter is a bundle of fiber divided into several

Fiber Optic Manufacturer And Supplier in US | Amerifiber

We're a full-service, customer-first manufacturer and distributor dedicated to delivering the fiber optic ideal: speed and

Optical Splitter Manufacturers in India

Find here Optical Splitter manufacturers & OEM manufacturers in India. Get Contact details & address of companies manufacturing

Optical Splitters Manufacturers and Suppliers in the USA ...

Manufacturer of standard and custom laser optics, prisms, accessories, components and supplies. Yttrium aluminum garnet (YAG)

What is Fiber Optic Splitter and Types

What is a Fiber Optic Splitter? Fiber optic splitter is a passive optical device used to distribute optical signals, which

Optical Splitter Manufacturers Mjadom Fiber Optic Splitter

Mjadom's optical splitter is designed for optimal performance and reliability. With low insertion loss and a compact design, it is perfect
