

Red Light Pen Power Meter All-in-One Battery Model

Overview

Designed for fiber professionals, it covers 7 calibrated wavelengths and is compatible with SC, FC, and ST connectors.

Key Takeaways

The HAILE Optical Power Meter Red Light Pen HJ-8503 is a versatile all-in-one fiber optic tester designed for quick and accurate fiber optic network diagnostics. Haile is the global brand name of Beijing Haile Technology Co., Ltd, which is a comprehensive enterprise focusing on the research and development, production, sales and service of high-performance network transmission, comprehensive cabling and electronic terminals. This compact device integrates both optical power measurement and red light source functionalities, making it an essential tool for fiber. Optical power meter with integrated red light source, available in 15/30/50 mw models. this all-in-one device combines a high-precision red light source, multi-functional testing pen, and network cable tester, making it ideal for a wide range of network maintenance scenarios. Whether it is home. Calibration Function: The power measurement range is -70 to +10dbm, the measurement is fast and accurate, no need to wait for warm up.
