

Supply of cable trays from UK manufacturers

Overview

Browse our range of cable trays below! We offer cable trays that are perfect for a variety of applications.

Key Takeaways

The UK offers a wide range of cable trays from leading manufacturers such as Metsec, CMW, and Aitkens, providing light, medium, and heavy-duty options with fast delivery and customization. Leading UK Manufacturers and Suppliers

- Metsec: Offers industrial cable tray systems manufactured in the UK, including mild steel pre-galvanised, hot-dip galvanised, and stainless steel options. Their trays range from 12mm to 50mm deep and 50mm to 900mm wide, conforming to BS EN 61537 standards. Metsec provides bespoke systems, CAD design support, and high on-time delivery performance .
- Cable Management Warehouse (CMW): A leading distributor with over 20 years of experience, supplying high-quality cable trays for commercial and industrial projects. They offer next-day delivery and free delivery on orders over £100, covering a wide range of applications .
- Aitkens Cable Tray Systems: Glasgow-based manufacturer and importer, serving the UK market through wholesalers and distributors. They provide experienced sales support and a variety of cable management products .

- **Direct Channel:** Supplies pre-galvanised and hot-dip galvanised cable trays, including medium and heavy-duty options. Most items are in stock with 95% of orders dispatched within 24 hours, offering trade discounts for bulk purchases .

Product Range and Specifications

- **Duty Ratings:** Light, medium, and heavy-duty cable trays are available to suit different load requirements.
- **Materials:** Mild steel (pre-galvanised or hot-dip galvanised), stainless steel (grade 316L), and other corrosion-resistant finishes.
- **Sizes:** Depths from 12mm to 50mm, widths from 50mm to 900mm, with a variety of lengths and accessories such as couplers, bends, and tees.
- **Standards Compliance:** Most UK-manufactured trays conform to BS EN 61537, ensuring safety and reliability .

Ordering and Delivery

- Many suppliers, including CMW and Direct Channel, offer online ordering, trade accounts, and fast dispatch, often within 24 hours .
- Bespoke or custom-designed trays can be manufactured to order, with CAD drawings and prototypes available for approval .

Summary

For UK-based projects, there is a robust supply of cable trays from reputable manufacturers and distributors. Options include pre-galvanised, hot-dip galvanised, and stainless steel trays, with light to heavy-duty ratings, custom designs, and fast delivery. Leading suppliers like Metsec, CMW, Aitkens, and Direct Channel provide both standard and bespoke solutions, making it straightforward to source cable management systems for industrial, commercial, or construction applications .
