

Syrian power cable tray manufacturer

Overview

syria cables Since 1991, Syria Cables has delivered high-quality electrical cables with over 30 years of trusted industry Al Ashoury Cable Trays At Al Ashour.

Key Takeaways

Key Syrian cable tray manufacturers include Cable House, APV Metal Cable Tray, and Al Ashoury Cable Trays, offering a range of steel, stainless steel, and customized cable management solutions. Leading Manufacturers

1. Cable House Founded in 1983, Cable House is a prominent Syrian manufacturer of cable trays. They produce a comprehensive range of cable management systems using high-quality raw materials and modern manufacturing technologies. Their products are designed for durability, reliability, and long operating life, and they cater to both domestic and international clients. Cable House also functions as an exporter, providing competitive pricing for bulk orders . 2. APV Metal Cable Tray Established in 1999 in Damascus, APV specializes in cable management systems including press Atop, flexible trays, electrical panels, and underfloor boxes. The company emphasizes high-quality standards, precise measurements, and customization to meet diverse industrial requirements. APV focuses on competing with imported products by maintaining superior quality and offering tailored solutions . 3. Al Ashoury Cable Trays Al Ashoury operates a modern cable tray factory with advanced technology and precision engineering. They provide bespoke solutions for industrial and infrastructure projects, ensuring products are durable and reliable even in harsh environments. Their manufacturing process emphasizes innovation, efficiency, and safety, making them a key player in the Syrian cable tray market .

Additional Information

- **Materials:** Syrian manufacturers typically offer cable trays in steel, stainless steel, aluminum, and PVC-coated options.
- **Applications:** Products are suitable for industrial, commercial, and infrastructure projects, including electrical distribution, data centers, and metro systems.
- **Export and Trade:** Many Syrian manufacturers, such as Cable House, actively export their products and can fulfill international orders .
- **Customization:** Companies like APV and Al Ashoury provide custom sizes, shapes, and configurations to meet specific project requirements . For sourcing, you can contact these manufacturers directly through their websites or trade platforms to request product catalogs, pricing, and technical specifications. This ensures you select a supplier that meets your project's quality and compliance standards.
