

US Cable Tray Support Supplier

Overview

Cable Tray Supports | McMaster-Carr Choose from our selection of cable tray supports in a wide range of styles and sizes. Same and Next Day Delivery. Cable.

Key Takeaways

Top US suppliers of cable tray support systems include US Tray (Atkore), MP Husky, EAE USA, and several manufacturers listed on Thomasnet, offering a wide range of custom and standard cable trays. Leading Suppliers

US Tray (Atkore) US Tray, established in 2012, manufactures made-to-order cable trays built to NEMA standards and UL certified. They offer a variety of systems including wire basket trays, I-beam trays, C-channel trays, and Trof (solid or vented) trays, along with cable cleats and fiberglass framing systems. Their products are made in America and comply with Buy America/Buy American requirements. US Tray emphasizes custom solutions, logistics support, and installation assistance, catering to both standard and complex orders . MP Husky MP Husky is a founding member of the USA Cable Tray Institute and has over 55 years of experience. They manufacture aluminum, galvanized steel, stainless steel, fiberglass, PVC-coated, single rail, and wire mesh cable trays. Their systems meet or exceed NEMA, UL, CTI, and CSA standards and are widely used across industrial, commercial, and infrastructure projects. MP Husky is known for reliability, strength, and personalized service . EAE USA EAE USA produces heavy-duty cable trays and ladders from pre-galvanized, electro-galvanized, or hot-dipped galvanized steel, as well as stainless steel. Their trays are designed for high cable density environments and are suitable for indoor and outdoor use. They offer covered designs, interlocking splices, and wire tray structures, with lengths up to 19.68 feet and robotic welding for structural durability . Other US Manufacturers (Thomasnet Listings) Thomasnet lists additional US suppliers such as:

- Acme Wire Products Co., Inc. – Custom wire trays and cable management accessories.
- Johnson Bros. Roll Forming Co. – Standard and custom roll-formed cable trays for multiple industries.
- Cable Ties and More – Distributor of galvanized, carbon steel, and PVC cable trays.
- Selco Manufacturing Corp. – Custom aluminum, fiberglass, and stainless steel cable trays.
- Legrand – Large-scale manufacturer of overhead cable tray systems with various sizes and finishes .

Considerations for Selection

- Material: Choose based on environment (aluminum, steel, stainless steel, fiberglass).
- Load Capacity: Light, standard, or heavy-duty trays depending on cable weight.
- Compliance: Ensure NEMA, UL, and Buy American standards are met.
- Customization: Many suppliers offer made-to-order solutions for unique layouts.
- Support Services: Logistics, installation guidance, and technical support can be critical for large projects. These suppliers provide a comprehensive range of cable tray support solutions suitable for commercial, industrial, and infrastructure applications across the United States.
