

Where can I find indoor fiber optic cables in Lebanon

Overview

Fibre optic cables | Legrand Lebanon LebanonFiber optic solutions (drawers, panels, connectors.) | Fibre optic cables | ! Top 10 Cabling and Fibre Optics.

Key Takeaways

You can find indoor fiber optic cables in Lebanon through specialized suppliers like DanounTech, OptiLink, and various local cabling companies listed on Yelleb and Kompass directories. Online and Retail Suppliers

- DanounTech offers a wide range of fiber optic cables for indoor use, with online ordering and fast delivery across Lebanon . Their store provides competitive prices and a variety of networking products suitable for both residential and business setups.

- OptiLink specializes in enterprise-grade fiber connectivity, including indoor fiber optic cables, optical transceivers, and modules compatible with Cisco, Huawei, MikroTik, and other major brands . They provide tested and certified products with local support and fast delivery.

Local Companies and Distributors

- Yelleb Directory lists multiple cabling and fiber optics companies in Beirut, Jounieh, Sidon, and other areas, offering turnkey network solutions, fiber optic equipment, and installation services . Examples include suppliers in Sin el Fil, Ashrafieh, and Zgharta.

- Kompass Business Directory provides listings of companies that supply fiber optic cables and offer installation services, including IMATEL S.A.R.L. and other telecommunication equipment traders . These companies often provide both products and professional installation for indoor networks.

Tips for Purchasing

- Confirm the cable type (single-mode or multi-mode) and length required for your indoor setup.
- Check if the supplier offers installation support or technical guidance.
- For larger projects, consider contacting companies like OptiLink or IMATEL for bulk orders and certified components. By exploring these suppliers and directories, you can access a wide range of indoor fiber optic cables and related networking solutions throughout Lebanon .
