Cable Tray Manufacturers In Sudan, Electrical Cable Tray Suppliers Our customers can count us for buying Electrical Cable Tray, Ladder Cable Tray, PVC Cable.

### Key Takeaways

Key cable tray manufacturers in Sudan include Jeetmull Jaichandlall (P) Ltd and Brilltech Engineers Pvt. Ltd, offering a wide range of cable tray solutions for industrial, commercial, and residential applications. Local Manufacturers

Jeetmull Jaichandlall (P) Ltd is a prominent cable tray manufacturer in Sudan, known for producing high-quality wire mesh and metal cable trays. They offer a variety of sizes, shapes, and colors, and their products are designed to meet industry standards for durability and load-bearing capacity. The company operates a modern manufacturing facility with advanced technology to ensure consistent quality and customization options for different sectors. Brilltech Engineers Pvt. Ltd is another trusted manufacturer and supplier in Sudan. They provide a comprehensive range of cable trays, including ladder cable trays, PVC cable trays, mild steel, perforated, stainless steel, and raceways. Brilltech emphasizes customized solutions, quality control, and timely delivery, catering to residential, commercial, and industrial needs.

International and Specialized Suppliers

Some international companies also supply cable trays to Sudan, particularly for specialized applications:

- Eurotray offers cable management systems and steel cable trays suitable for industrial projects .
  - Fiberglass-reinforced polycarbonate trays are available from companies like Boston Europe, providing corrosion-resistant solutions for harsh environments .
  - VALDINOX and EAP (Electrotechnical Articles Potschka) specialize in wire mesh cable trays and accessories, ensuring easy installation and high durability .
- Product Types and Materials

Manufacturers in Sudan provide cable trays in various materials and designs to suit different applications:

- Materials: Galvanized steel, stainless steel, PVC, fiberglass-reinforced plastics (FRP)
- Types: Ladder trays, perforated trays, trough trays, mesh trays
- Features: Corrosion resistance, flexible mounting options, open designs for easy cable installation, and compliance with international safety standards . These manufacturers and suppliers collectively cover a wide spectrum of cable tray needs, from standard electrical installations to specialized industrial projects, ensuring both local availability and international quality standards.
